Colorado Lions Camp Campership Application

Please complete in its entirety to be considered for financial assistance from funding through Lions Camperships. Financial requests MUST accompany the initial camp application.

Colorado Lions Camp receives campership funding through Lions Clubs throughout the state of Colorado, and from a variety of grants and fundraising opportunities. Unfortunately, as the actual cost of camp continues to increase, our funding continues to decrease. Our week at camp costs campers \$550, but it actually costs us \$750 for a camper to attend camp for the week. We use other funds to off-set that cost.

In order to help as many campers as we can financially, we have to change our process on how we distribute camperships. Camperships will be available on a first-come, first-serve basis. We appreciate your understanding and your assistance as we continue to offer great recreational programs here at the Colorado Lions Camp.

What we need from you:

1. Completed application, including all the financial information for those who are asking for financial assistance.
2. Please make a copy of your most recent W2, 1099, tax refund, SSDI, SS, and or Medicare statement. Something that shows your income and eligibility needs.
