

# COLORADO LIONS CAMP

## A MESSAGE FROM THE DIRECTOR

Hello and Happy November! I think I say it every time, but it feels like the months have flown by us. As we enter this busy season of the year I look back and reflect on the beauty that I have been surrounded with and how much I have to be thankful for. At times like these where life moves faster than most of us prefer, I always look back to what I am thankful for, and my list is long! This camp, the campers, the families and caregivers, all of the Colorado Lions, and the beauty that surrounds the camp. Earlier this fall, we were extremely lucky to be able to see the Northern Lights on camp, I've attached pictures in the gallery section. Before I close I want to also mention my gratitude for my family, friends, and all of the kindness and love that has been spread this year.

With Peace and Love,  
Erin Newport
