

# COLORADO LIONS CAMP

## A MESSAGE FROM THE DIRECTOR

Hello and Happy Fall, everyone! As we are coming off yet another great summer, I am again so thankful for everything and everyone who made things possible this summer. From the campers, staff, caregivers, and Lions; getting to spend my summer with all of you is what made it the great one it was. And while I am sad to see summer end, I am excited for everything that is to come in the following months. We have respites, rental groups, and summer prep already on the books. Also, our newsletters will come out every other month to better ensure that you all are getting the most up-to-date and best information. I look forward to talking to you all so soon!

With Peace and Love,  
Erin Newport

## UPDATES ON THE SUMMER

This past summer was so great! We enjoyed everything from the Wild West to Christmas, the Olympics, Halloween, and more! We reached new heights on the Ropes Course, crafted endless crafts, scored goals, and made new friends. Camp is not possible without all of you and we look forward to all of you coming!

Lions Clubs! We will send out our grill schedule for the summer in the coming months.

Our Summer 2025 application will go live in October! We look forward to seeing you all then!
